

**United States House of Representatives  
Committee on Appropriations  
Project Request Summary**

**Subcommittee, Agency and Account Information**

**Subcommittee**

Transportation, HUD

**Agency**

Federal Highway Administration (FHWA)

**Account**

TCSP - Transportation & Community & System Preservation

**Project Information**

**Project Name:**

80th Ave. Overpass Widening, Tinley Park, IL

**Amount Requested:**

\$2,000,000

**Project Description:**

Widening of the 80th Avenue overpass over Interstate 80 from 191st street to 183rd street

**Intended Recipient of Funds**

Village of Tinley Park

16250 South Oak Park Avenue

Tinley Park, IL 60477

**Explanation of the request:**

This project would benefit taxpayers by reducing traffic congestion and improving air quality. Furthermore, this project will yield improved service for commuters to encourage a higher level of transit use versus vehicular.
